**Topic:** Response to USPTO Office Action, Confirmation No. 6162

**Office Action Date:** 10/04/2004

**Examiner:** Mark S. Graham

**Subject:** Regular Patent Application No. 10/721,687

**Submitter:** David D. Lang, 206 236 2579, SeattleDL@comcast.net

**Filing Date:** 11/2/2003

**Patent Entitled:** UNIVERSAL CROQUET WICKET LIGHTING UNIT

Dear Mr. Graham,

As per the above referenced Office Action, I submit the following election regarding the claims I have made in my regular patent application number: 10/721,687.

**My Election:**

I hereby elect to retain for examination, only claim No. 1 (a "Methods" claim). In so doing I elect to delete from said Patent application, the claims #2 through #10, that constitute a single independent "Article of manufacture" claim (that being #2), and multiple dependent claims (those being #3 through #10).

Thank you for your useful communication regarding this matter..

Signed,

*David Lang*
